LET'S TALK TRASH!!!

A SPECIAL MESSAGE FOR ENTERPRISE AND ENLISTED CAPEHART RESIDENTS

The Housing office has received numerous complaints regarding children leaving/throwing trash onto the streets and into the residents' yards. The Enterprise area appears to be even more unsightly because of the density in that neighborhood. Parents, please talk to your kids and let them know that this is a serious issue. The Housing Office was contacted by Security and informed that any child caught littering will be escorted home and *a citation issued to his/her parents.*

Please also remember to return your garbage bins to their proper storage area. Community Managers will be issuing "Notice to Resident" for those who do not comply.

Basketball Goals

Basketball is so much fun and good exercise for everyone! Community Managers are reporting that basketball goals are being placed in or near the streets. This is very unsafe and cannot be allowed. Basketball goals should not be placed near the street or located so that children would have to play in the street. Goals should be placed in your driveway off of the street or your patio area. They should not be placed on sidewalks or grassy areas.

Baby Birds

A resident called and asked us to mention to parents to remind your children not to play with baby birds (or any other wild animals). Playing with wild animals cannot only be harmful to the animal but also to the child.

Bike Riding

Parents please remind your children the rules about bike riding.

- ***ALWAYS WEAR A HELMET.***
- ***Watch for cars-they always have the right-of-way.***
- ***Stay on the sidewalks.***
- ***Be careful around small children.***
- ***Do not ride bikes in other people's yards, unless you have their permission.***

Reminder: Teach your children to be respectful of your neighbors and their property.

Swing Sets

Swings cannot hang from trees or be located in the front yard of quarters.

Swimming Pools

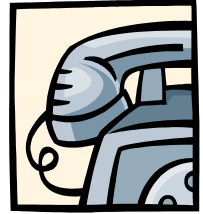

Inflatable and portable wading pools for children up to 8 feet in diameter and 24 inches deep are permitted in the housing areas. Pools must be drained nightly and stored to prevent any mishaps. Children must be supervised at all times.

ATTENTION ALL RESIDENTS!!!

Please remember the appointments you have with Pest Control or Maintenance. If you schedule an appointment, please be there.

Also, make sure you provide a good work or cell phone number in the event that someone needs to contact you.

Things to Remember...

- *Do not put barbecue grills too close to the vinyl siding! It WILL melt and you will be responsible for repairs.*
- Register all weapons with the Security Department immediately after you move into base housing. THIS INCLUDES BB GUNS!
- Register all guests prior to their arrival.
- Insure that only bona fide dependents are residing with you.
- Digging for any reason in your yard requires a "Dig Permit" from Public Works. Contact your Community Manager for details.
- If you have made rank, **changed phone numbers (at work or home)** or have a family composition change, please call and report changes to the Housing Office, 874-5547.
- The speed limit is 15 MPH in Housing, unless otherwise posted.
- Report any suspicious activity to Security at 874-5533. For emergencies **ONLY**, you may dial 911.

PLAYGROUND NEWS

Parents:

Work will begin in the next two weeks on playgrounds around the base. You should not allow your children to play on any playground equipment surrounded by caution tape. Please pay attention to signs that say, "Watch out for workers and heavy equipment, area involved in project; keep kids away."
